Both ERMES FP7 consortium members and the European Commission cannot accept liability for any inaccuracies or omissions nor do they accept liability for any direct, indirect, special, consequential or other losses or damages of any kind arising out of the use of this information.

Scope of the meeting

The ERMES 2nd Annual Meeting will be held in Thessaloniki on 21-23 March 2016. The primary objectives of the meeting are to:

- 1) Update the consortium on the current status of the project
- 2) Discuss the achievements of the first year's demonstration and address any problems or issues for the second year
- 3) Determine the roadmap for successful demonstration and validation of the ERMES products and services during the 2016 season
- 4) Elaborate on the users' specialised needs through dedicated bilateral meetings.

The meeting will last two full days, whereas some of the partners will participate in dedicated bilateral meetings with Greek end users in the morning of the third day:

- DAY 1: Lessons learnt from 2015 demonstration activities
- DAY 2: Next steps and planning 2016
- DAY 3: User meeting
