

The First Annual ERMES Meeting is scheduled in two days and will take place in Valencia (Spain) at the Hall of Residence Rector Peset (*Colegio Mayor Rector Peset*), which belongs to the *Universitat de València*.

Colegio Mayor RECTOR PESET
Plaza Horno San Nicolás, 4
46001-Valencia

It is located in a noble house of the centre of the city (see fig. 1). No public transport is needed to get to this place from your hotels: a short, nice walk through the city center is enough. Just in case, you can take a taxi (taxi fare: 4/6€ during the day/night). The restaurant for the social dinner is also within walking distance (see fig. 2). It is near the Serrano Towers (one of the twelve gates that were found along the old medieval city wall) (see fig. 3).
